Dear Father John,

Greetings in Christ! On behalf of the members of the Council of Major Superiors of Women Religious, I would like to congratulate you on the upcoming National Symposium on the Life of the Religious Brother. The Symposium promises to make an essential contribution to the Church by heightening the awareness of all on the role of men called by the Lord to religious consecration.

The feast day of the Annunciation is a fitting day on which to explore the identity and mission of the religious brother. Surely the spiritual fruits of this conference will be born of the Holy Spirit and the fiat of every brother who embraces this unique vocation.

I look forward with great interest to the proceedings that may be published from this symposium. Be assured of our prayers for the spiritual success of this event and the future work of the Conference of Major Superiors of Men.

In Christ our Life,

  
Mother Agnes M. Donovan, SV
